Hello, I'm Scott Lindgren, and I am running for the Tarrant Appraisal District (TAD) Board of Directors.

I retired from AT&T after 29 years, starting as a technician and retiring as Director of Field Operations, where I managed teams of over 2,000 employees and oversaw a capital and expense budget exceeding \$250M annually. Additionally, I served as AT&T's Chief Information Officer for the AT&T Emergency Operations Center (EOC), directing disaster recovery efforts. Currently, I own and manage two small businesses and am actively involved in their daily operations.

I have served on the Haltom City Planning and Zoning Commission since 2018, including two years as chair. I am also currently serving as Place 4 on the Haltom City Council. My community involvement extends to serving on the Boy Scouts of America Fort Worth Council Board from 2009 to 2023, with a current role on its Advisory Board. Furthermore, I served on the Board of Directors for 1-800-DIG-TESS (811 for Texas) from 2007 to 2008. I have additional experience serving on various subdivision and non-profit boards. I hold two patents through AT&T Labs and have been honored with the Silver Beaver Award by the Boy Scouts. I served as lead for many mentoring circles and internships through the years, and I am an absolute believer in Servant Leadership.

My wife, Sue, and I have been longtime residents of Haltom City. Our children attended Keller School District, and two of them remain local. We frequently babysit our grandchildren and are longtime members of Milestone Church in Keller, where our children work.

I respectfully ask for your consideration in electing me to the TAD Board. Tarrant County is a wonderful place with outstanding schools, city services, and dedicated police and fire departments. I've witnessed the county's growth and the substantial increase in property values over the years. I also understand how property values impact school budgets, city budgets, hospitals, and other institutions affected by TAD decisions.

This year presents unique challenges, such as funding for school resource officers and significant changes to Tarrant County EMS. I believe the current TAD board has not fully put the forethought needed in these and other pressing issues. I bring a strong background in business and finance, as well as the perspective of a resident and property taxpayer in Tarrant County for over 24 years.

Thank you for your time and consideration.

Sincerely,

Scott Lindgren

Eric Crile Biography

I have been a resident of Texas for 17 years. During the past 17 years I have lived almost exclusively in Tarrant County and more specifically in Fort Worth. I am proud to call Fort Worth home. This is where I met my wife. I have known my wife, Jennifer, for almost 10 years. We were married in the summer of 2021. I have a beautiful stepdaughter named Jillian and my wife and I welcomed our first child together this past May, our son Quintyn. I have worked in public safety as a firefighter since my arrival in Texas and I look forward to showing up for work every day. In my free time, when my son allows, I am an avid movie watcher as well as a member of the DFW Curling Club. I serve as a member of the Crime Control and Prevention District, Partners with a Shared Mission Initiative Community-Based Program, a sub advisory board to Fort Worth City Council. I previously served on my homeowner's association board in the role of treasurer and president. I believe in hard work to get things accomplished and I want to do my part to be a productive member of society and move us forward. I am excited for the future of Tarrant County and all its residents. Thank you.
